

Quality - P630L (B8000)

Description

630gsm PVC Coated Polyester with Gloss and Lacquered Finish

P630/L (B8000) has a gloss finish and acrylic lacquer applied to both sides. Produced in Europe, this quality is widely used for tarpaulins, tilts, banners and swimming pool covers. This quality is produced using a slightly heavier base cloth for extra strength. Available as standard in 25 colours, we can also supply production run orders (Min 1,000LM) in other colours and widths.
